**ATTENDANCE**

**School Hours**

8:50AM – 3:20PM

**Arrival**

Students may enter the building at 8:20 AM. A bell will ring signaling building entry. Car riders may be dropped off at the back of the school building when the 8:20 bell rings. Wait until the 8:20 bell before letting your children out of the car. Please drop them off in the car rider lane in the back of the school. There will be Ferguson Elementary staff on duty to supervise and assist with car rider drop off. For your child's protection, students may not arrive at school before 8:20 AM. There is no adult supervision before this time.

**Tardiness**

Students are tardy if they are not in their classrooms by the 8:50 AM bell. Parents must park and accompany students into the school for check-in purposes. Tardiness is recorded as a part of attendance.

**Attendance**

Parents should support the academic success of students by ensuring students attend school each day. In accordance with the State Attendance Law, the following are considered excused

absences. All absences require a written note from the parent or guardian upon the student's return to school.

- Personal illness or attendance in school endangering a student's health or the health of others
- Death or serious illness in the student's immediate family
- Observance of county approved religious holidays, (for a list of approved holidays see the GCPS Parent/Student Handbook)
- Conditions rendering attendance impossible or hazardous to student health or safety
- Conditions mandated by order of a governmental agency

Parents need to send in a note or doctor's excuse to the teacher as to the reason for a student's absence within five (5) days of the absence. After this time, absences will be listed as unexcused. Only check-ins/outs for the above reasons will be excused. All other reasons, including vacations, are considered unexcused. Students must attend school for a total of three (3) hours and 20 minutes to be counted present for the whole day. The school counselor or an administrator will address repeated absences, tardiness or early check outs.

## CHECK IN/OUT OF STUDENTS

### Late Check In

Parents support learning by helping students arrive at school on time each day. Students arriving after 8:50 AM must be accompanied by a parent to the welcome desk to check in. Students will be issued a pass before reporting to class.

### Early Check Out

For the safety of students, it is necessary to present picture identification at the time of checkout. Any adult will not be allowed to check out students unless written authorization is on file and has been verified. Teachers will be notified by the office to send students to the atrium for check out. If there is an emergency, please inform the office staff and arrangements will be made for immediate assistance. There will be no checkouts after 3:00 PM.

## BIRTHDAYS

**Classroom Birthday Celebrations:** Parents may send treats for the students in the class of their child who has a birthday. We strongly encourage parents to purchase ice-cream from the school if they would like to provide treats. If you choose to send in other treats, they may be provided only if they are consistent with the following guidelines:

- Treats are to be **store bought and prepackaged** in individual servings needing no cutting (e.g., cupcakes, individual cookies, or other prepackaged individual snacks)
- Nutrition and ingredient label must be on the item(s) due to students with allergy issues
- Soft drinks are not to be provided
- Treats must not contain peanuts or peanut products because of peanut allergies of some students
- Treats will only be served at the end of the lunch period
- Balloons, candles, flowers, party favors, goody bags, or any other items that will disrupt the instructional day are not permitted
- Birthday party invitations are not to be distributed at school

Parents are to communicate with the teacher before sending treats so that any allergies can be discussed and the time and manner of delivery of the treats can be decided. **Invitations may not be distributed by a student or employee at the school.**

### **BUS TRANSPORTATION**

All students in Gwinnett County are provided free bus transportation contingent upon proper conduct. Students eligible to ride the GCPS are allowed one address for morning service and one address for afternoon service. Students must ride the bus they are assigned and will only be allowed to get on and off at their assigned stops. **Each student must have a GCPS issued bus tag attached to his/her bookbag at all times. These tags will be distributed at the beginning of school or during students' enrollment.** Students will not be allowed to get on the bus without a bus tag. Due to the importance of the bus tag, each student is responsible for taking care of his/her bus tag. Change of transportation notes must be received in our office by **9:30 AM on the day of the change for the appropriate pass to be issued.** The note should include the following information: student's name, teacher's name, the exact street address of the location he/she will be going, the date the change is needed and a parent signature.

## **CAR RIDER/WALKER INFORMATION**

### **Car Riders**

**Morning Procedures:** The car rider lane is open from 8:20 AM – 8:40 AM. Parents arriving after 8:40 AM need to park in the back parking area and walk with students to the front entrance of the school to be checked in. **Students eating breakfast at school should arrive by 8:30 AM. **Cars are not permitted in the bus lanes between 8:00 – 8:50 am and 3:00 pm – 3:50 pm.**

**Afternoon Procedures:** Students are dismissed from classrooms at 3:20 PM. After that time, students may be picked up at the school front office.

**Walkers** are dismissed with car riders and follow the same guidelines. For morning arrival, students walking to school may enter the building at 8:20 AM. At the end of the school day, walkers will be dismissed at approximately 3:20 PM and will be escorted by a staff member.

**CHANGE OF ADDRESS OR PHONE NUMBER**

For your student's safety and in the event of an emergency, updated contact information is required. Please notify the main office in writing of ANY changes in address or phone numbers. Proof of residency for the new address must accompany all address changes.

**CLINIC**

Parents will be called if students are too sick to remain in school, have a fever of 100.3, or above or have been seriously injured. When students are ill or running a fever, they should not be sent to school. This presents a risk of infecting other students. Students should have a normal temperature for 24 hours without fever reducing medication before returning to school. The clinic worker does not diagnose illness or make recommendations about treatment. The clinic worker will clean scrapes and bruises, take temperatures, give out medication with written permission, and call parents if students need to go home.

The following guidelines will be followed regarding the administration of medications, to ensure the safety of students. All medication must be brought to and from school by the parent/guardian. All medications (prescription and non-prescription including cough drops) must be taken directly to the clinic by the parent/guardian for safekeeping. Students may not transport medications. ***An Administration of Medication Request form*** must accompany all medication including cough drops. This form can be obtained from the clinic. Medication cannot be kept in the classroom. All medications must be in the original, childproof container. Prescription medications must be in the labeled prescription bottle. Medications stored in any other way will not be accepted. Parents should check with a family physician regarding the need for medications to be administered during school hours.

**COMMUNICATION**

Effective communication is a Ferguson Elementary priority. Here are some ways we communicate with parents and our community throughout the school year.

**Classroom Communication**

Each teacher establishes a system for regular communication of students' academic and/or behavioral progress (Friday Folders). Also, teachers share information about classroom activities and events with parents. Teachers review these communication systems with parents at the beginning of the year. GCPS Parent Portal, Ferguson Website and C&I Course Pages are examples of communication methods.

**Curriculum and Instruction Communication**

Parents receive information on the Academic Knowledge and Skills (AKS). Also, the school and teachers will provide more specific curriculum information as appropriate. Parents may access GCPS curriculum information through the school system's website at [www.gwinnett.k12.ga.us](http://www.gwinnett.k12.ga.us). The AKS outline teaching and learning expectations for each grade level.

**Email and Internet Communication**

Parents can learn more information about our school from our website ([www.fergusonelementary.org](http://www.fergusonelementary.org)). Teachers have an opportunity to review their e-mail before school and after school. Teachers will respond to emails within 24 hours; however, confidentiality issues may necessitate that a teacher call parents rather than respond via email.

**Ferguson Communication**

The website ([www.fergusonelementary.org](http://www.fergusonelementary.org)) includes important information such as dates of upcoming events, important information, and announcements. Ferguson Elementary also utilizes School Messenger (automated calling system) for emergency notifications, reminders, and important school messages.

**Parent-Teacher Conferences**

Early Release conferences are scheduled twice during the school year. Additional conferences may be scheduled as needed.

**Telephone Communication**

Concerns about your student should first be addressed to the teacher. Teachers will return calls within 24 hours.

**DRESS CODE**

Students should select appropriate clothing to wear to school. Parents should assist students as needed. The atmosphere of a school must be conducive to learning, and a student's appearance can positively impact the climate of the school. The dress and appearance of each student should always be neat, proper, and shall not distract from the learning environment.

1. Clothing and hairstyles that distract from learning are not appropriate in the educational setting.

- Bare midriffs, halter tops, tank tops, tube tops, visible undergarments, mesh sports jerseys without tee shirts underneath, or torn clothing will not be permitted. Jeans and pants should fit correctly at the waist and not sag or bag. Skirt and shorts lengths should extend beyond fingertips when arms are at sides.
- No clothing with offensive language, pictures, inappropriate slang, or alcohol/drug advertisements will be permitted.
- Hats, hoods, bandanas, headscarves, and visors may not be worn at school by students except on designated Hat Days.

2. Correctly fitting shoes must be worn at all times. It is difficult to walk and run in flip-flops or shoes which are too big, untied, high-heeled or platform. Students should not wear shoes with wheels attached as they present a safety hazard. Students must wear tennis/athletic shoes and socks on physical education days for safety reasons and care of the gym floor.
3. Spirit Day is every Friday. Students, staff, and parents are encouraged to wear Ferguson spirit wear or school colors of blue and white.

**PERSONAL PROPERTY**

**Personal Property**

Students should not bring large sums of money, expensive jewelry, sentimental belongings, or toys. Cell phone use is not permitted during school hours including text messaging. Cell phones that must be brought to school for issues related to non-school hours are to be turned off and in book bags during the school day. Cell phones that ring or are used during the school day will be taken up and sent to school administration. Parents must come to school to and pick up these items. The school is not responsible for personal property items that are lost or stolen.

**GO GWINNETT PARENT PORTAL**

Parents may check student progress throughout the grading period on the Go Gwinnett Parent Portal. Parents may register for access to student’s attendance, grades, course history, test history, schedules, and discipline by completing a Parent Portal registration form. Parents need to present driver’s license for verification. An email will be sent with a token that will be needed to log on to [go2.gwinnett.k12.ga.us](http://go2.gwinnett.k12.ga.us).

**GRADING – REPORTING TO PARENTS**

Elementary report cards describing student progress are sent to parents every nine weeks. Students’ grades reflect their achievement of the Gwinnett County curriculum (AKS) at their grade level. Also, parents will receive progress information at both conference times. Students are promoted to the next grade based on achievement of Academic Knowledge and Skills and at certain grades, achievement on specific county and state tests. Grading scales for each grade level are as follows:

<b>Grades K &amp; 1</b>	<b>Grades 2 &amp; 3</b>	<b>Grades 4 &amp; 5</b>
E - Excellent	A = 90-100 Excellent Progress	A = 90-100 Excellent Progress
S - Satisfactory	B = 80-89 Above Average Progress	B = 80-89 Above Average Progress
N – Needs to improve	C = 74-79 Satisfactory Progress	C = 74-79 Satisfactory Progress
U - Unsatisfactory	D = 70-73 Progress Needs to Improve	D = 70-73 Progress Needs to Improve
	U = 0-69 Unsatisfactory Progress	U = 0-69 Unsatisfactory Progress
	Grades are reported as <b>letter</b> grades.	Grades are reported as <b>numeric</b> grades.

**Special Areas, Conduct, Effort & Work Habits:**

Special area program instruction is aligned with the GCPS Academic, Knowledge, and Skills (AKS). Grading guidelines within the special areas are set up to assess student progress toward mastering the AKS accurately. The special area teachers will utilize a variety of learning

2015 - 2016

activities to determine student grades, such as class participation, class work, projects, and demonstration of skills. Students are graded according to the following scale:

E = Excellent

S = Satisfactory

N = Needs to Improve

U = Unsatisfactory

Teachers will also evaluate the conduct of each student based on the established school rules found in this Parent/Student Handbook.

### **GUIDANCE**

Our school counselors work with students at every grade level. Our counselors support the academic environment by providing classroom lessons in areas such as problem-solving, study skills, decision-making, and conflict resolution. Our school counselors also work with students in small groups as well as individually at the request of a student, teacher, or parent. Our counselors are available for consultation to all Ferguson parents.

### **HOMEWORK**

Homework is used to provide students additional time and opportunity to practice, extend, apply skills, or to review new learning. Each student is expected to spend some time in addition to a regular class instruction to achieve satisfactory work. Homework expectations will be discussed during Curriculum Night. Parents should contact the classroom teacher regarding any questions or concerns.

### **INCLEMENT WEATHER**

Our school occasionally is delayed or closed due to inclement weather. Official information will be available on Gwinnett County Public Schools website [www.gwinnett.k12.ga.us](http://www.gwinnett.k12.ga.us), **GCPS Facebook page**, and [www.wsbradio.com](http://www.wsbradio.com) (AM 750 or 95.5FM). To ensure the safety of all students and less confusion on these days, parents are asked to monitor WSB television and radio for updated information. Ferguson Elementary School utilizes School Messenger (automated calling system) for emergency notifications, reminders, and important school messages.

### **MAKE UP WORK**

The general rule regarding makeup work is allowing one day for each day of absence if work was assigned on the date of absence. Absences shall not penalize student grades if the following conditions are met:

1. Absences are justified and validated for excused reasons.
2. Make-up work for all absences is completed satisfactorily.

### **MEDIA RELEASE**

Ferguson Elementary School may develop, participate in, or be the subject of media-based presentations and events that highlight various educational activities that take place during the school year. Those developed by Ferguson students, staff, GCPS personnel and/or commercial

enterprises may include but are not limited to photographs of students and activities, slide/tape presentations, videotapes of students and activities, computer-generated presentations which may incorporate scanned photographs and video clips, computer-based productions transmitted via telecommunications, web pages, etc. Please understand any such materials become the property of the local school or district and may be used by the school, district or others with their consent, for educational, instructional or promotional purposes determined by the district in formats now existing or created in the future. Parents who opt out of media permission for their child have an opportunity to state this on the media release form.

**Opting out of the media release and/or directory information will result in your student's picture not being included in the yearbook.**

## **PARENT INVOLVEMENT**

### **PTA**

The Parent-Teacher Association is an active part of our school. Please show your support by joining the Ferguson Parent-Teacher Association. All PTA programs, activities, and functions are dedicated to the best interest of our students. If you would like to get involved with the Ferguson PTA, please contact the school office.

### **Volunteers**

Volunteers assist our school in many ways, such as listening or reading to students, working with students on math skills, participating in student activities, making learning games, and working in the Media Center. Volunteers provide valuable assistance to staff and students.

### **Visitation of School and Classrooms**

To ensure the safety and confidentiality of our students, Gwinnett County Public Schools limits classroom visitors during school hours to parents/guardians of current students, other family members of current students who are approved by the student's parents/guardians, and those persons invited by the Gwinnett County Public Schools for official business. Gwinnett County Board of Education Policy states that parents and visitors should make an appointment to visit their child's classroom. Parents need to contact an administrator to arrange for classroom visits. To protect instructional time, the length of class visits should be brief. The amount of time will be stated by an administrator before the visit.

All visitors with legitimate business on school grounds must register their visit by signing in on the computer located at the Welcome Desk. Visitors are given a badge to wear. The visitor's badge must be clearly visible while on campus. Before leaving school, visitors need to return to the Welcome Desk to sign out.

### **Messages**

Parents may call the front office to leave a message (678-245-5450) or contact teachers directly via email. Parents wishing to schedule conferences should contact teachers directly to schedule a meeting during non-instructional times (before school, after school, or during teacher planning time).

**PARTIES**

**Classroom Parties**

Each classroom may have two parties per year – one winter party and one spring party. PTA room representatives will coordinate these parties with teachers and parents. We do not have parties for any other occasions.

**SAFE SCHOOLS PLAN**

Scheduled fire, tornado, and disaster drills are held throughout the school year as part of the Ferguson Safe Schools Plan. All staff members have received instructions regarding emergency procedures. Instructions are posted in each classroom and in key locations throughout the building indicating how to exit the building in case of a fire and where to go in case of a tornado. Drills are regularly conducted to practice emergency procedures. There will be no release of students in the event of an emergency until the situation is resolved as determined by the principal.

**STUDENT BEHAVIOR AND MANAGEMENT**

The goal of student management is to provide a safe, learning environment for all members of the school community. We achieve this goal by using a school-wide discipline system called PBIS (Positive Behavioral Interventions and Support). This program focuses on helping each student learn to take responsibility for his or her behavior choices and expecting each student to demonstrate appropriate school behaviors consistently.

**School-wide Expectations**

The Gwinnett County Public Schools Student Conduct Behavior Code serves as a foundation for our school-wide discipline plan. The following rules apply when a student is on the school grounds, off the school grounds at a school activity, function, or event, or en route to and from school.

The expectations are that all students will be:

- Respectful to one another and adults.
- Responsible students.
- Role model to everyone.

Expectations	Cafeteria Rules	Hall Rules	Commons/ Playground Rules	Restroom Rules	Bus Area Rules
Respect	Whisper when music is off Stand in line silently	Hands and feet to yourself Voices off	Use equipment safely Turn your voice off when	One person in stall Privacy of others Voices need to be turned off	Soft voices
Responsible	Get everything you need before you are seated Stay in seat	Shortest route	Follow directions the first time Stay in fenced area	Wash hands Use restroom promptly	Bookbag on your lap Sit in your assigned seat

					Keep hands feet and objects to yourself
Role model	Show good manners walking Clean up after yourself	Walking in straight line Walking up the stairs	Treat others the way you want to be treated Straight quiet line walking into building	Clean up after yourself Wait your turn	Listen to the bus driver

We believe each student can begin each school day on the right track; therefore, students will begin the day on Level S. Students can move up or down based on their actions in demonstrating responsibility. Appropriate consequences will be assigned to students having difficulty adhering to the rules. Some of the interventions that may be used include: verbal warnings, redirection, creating Action Plans, temporary classroom time-out, temporary time-out in another classroom, counselor support, withholding recess, silent lunch, parent phone calls/emails, or referral for administrative support. Consequences for a referral to administrators may include reviewing Action Plans, facilitating conflict resolution, spending time-out in another classroom or Opportunity Room, creating Behavior Management Plans, and/or assigning out of school suspension. Persistent disruption may result in a disciplinary hearing panel. Abuse of another person (student or adult) is not tolerated at any time. In all cases, we strive to work closely with parents regarding student behavior approaches. **Parents and students are responsible for reviewing the Gwinnett County Public Schools' Student/Parent Handbook.**

### STUDENT RECOGNITION

Ferguson students are recognized in a variety of ways throughout the year for academic excellence, attendance, and good citizenship. We recognize students and support their worth, value and dignity as individuals.

Change of transportation notes must be received in our office by 2:00 PM on the day of the change for the appropriate pass to be issued.
